

Always use correct Personal Protective Equipment

AUTO VU

Description

Auto Vu is an all purpose solvent cleaner, with many household and commercial uses. It is ideal to clean windows, mirrors, chrome, aluminium, hard plastics, stainless steel and ceramics and also for preparing surfaces prior to the application of vinyl signs. Works well as an additive for car windscreen washer bottles also.

Products

Product Type: Solvents Mixture
Colour: Blue/green

Theoretical Coverage:

Substrates

Auto Vu is an all purpose solvent cleaner, with many household and commercial uses. It is ideal to clean windows, mirrors, chrome, aluminium, hard plastics, stainless steel and ceramics and also for preparing surfaces prior to the application of vinyl signs.

Directions For Use

Simply wipe on with a lint free cloth then wipe off (while wet or when dry) and polish. A simply trigger mist sprayer for application also works very well.

Health & Safety

The liquid can be irritating to the skin and eyes with repeated exposure. The vapour is mildly irritating to the upper respiratory tract. If swallowed, DO NOT induce vomiting. Give a glass of water. For detailed information refer to Safety Data Sheet (SDS).
